RE: Waste Removal Service

Mark,

On behalf of The Christman Company, I want to personally thank you for the great support over the years. Knight is always responsive to the demands on my projects. Your drivers are accommodating, timely and make sure dumpsters are where I need them.

I would also like to thank you for the LEED reports that you generate. LEED documentation can be a monumental task but your reports make that portion simple.

I look forward to continuing this partnership in the future.

Sincerely,
The Christman Company
