RE: Calvin College Fine Arts Project

To Mr. Mark DuBois,

I would like to express to you and all the staff who worked with me on the Calvin Fine Arts project, my appreciation and thanks for a job well done. This was a fast paced project requiring a "just in time" service that Knight Transfer was able to achieve. With the limited space we had to work with and the tight access to and from the work area, your staff performed at a professional level, with enthusiasm and timeliness that is hard to find in these trying times.

As Rockford Construction and I move on to the next project, which in turn will have its logistical hurdles, Knight Transfer will be top on my list to call for our hauling services. So be ready, as we move on as a team to the next one.

Again, thank you for all your help. We could not have done what we did without it.

Sincerely

Tim Dora, CDT, CCCA
