SCOTT CHRISTOPHER HOMES

Where the only surprises are pleasant ones.

Heather and Mark,

I wanted to thank Knight Transfer Service for the two plus years of excellent service at our Holland South Shore project

You have provided excellent customer care and you been very attentive to our needs from a job and neighborhood perspective.

The service you provided for recycling promotes yourself as an asset to the community and the good neighbor spirit.

I have and will continue to recommend Knight Transfer because of your speed and "Anything you need attitude"

Thank you again for your commitment to service the needs of Scott Christopher Homes and our clients

Respectfully,

---

Jim Rains,  
Site Superintendent
